March 16, 2019

To Whom It May Concern:

On Saturday, August 10<sup>th</sup>, 2019, the Rossford Fire Explorer Post will be putting on Don't Slide Under the Truck which will be held at Owens Community College Center for Emergency Preparedness.

The Scenario Day is a full non-stop day where Post Advisors step back and let the Explorers do it all... Except drive the vehicles. Advisors only intervene when asked by the Explorers to do so. This will be an all day event beginning at 0800 hours and ending at approximately 1600 hours. During this time, Fire and Police Explorer Posts in attendance will get the chance to run calls running lights and sirens. Each Post will be assigned a department/station number. Calls for the fire departments will range from motor vehicle accidents, and structure fires (search and rescue mazes) to all sorts of EMS scenarios ranging from gun shot wounds to bloody noses. The only thing Explorers will be asked to do on the MVA's is patient care and hazard mitigation. Police Posts will take calls ranging from traffic stops to hostage situations. All National Exploring rules and regulations will be followed and strictly enforced by staff. Explorers will be dispatched to the calls by professional dispatchers via portable radios that will be on each truck or unit. The dispatchers we will be using are dispatchers by career. It is possible that an air ambulance, or two, will land during the day. There will be multiple large-scale disasters during the day and there will be several scenarios during the day in which fire and police will have to work together. Radio communication training before this event is a must for this event to run smoothly.

Please visit [www.rossfordfire.com](http://www.rossfordfire.com), scroll on over to the Explorers tab on the top right and click the tab called 2019 Don't Slide Under The Truck to obtain all of the paperwork for the event. You can also join the Facebook page – "Rossford Fire Explorers Don't Slide Under The Truck Summer Event." We will use that to keep everyone up to speed on the weekend as well as take any questions or suggestions for scenarios. Anyone involved with your posts can join! Invite them all!

Please mail your RSVP to the address below by **Friday, May 31<sup>st</sup>, 2019**. The RSVP will include a deposit of half of the registration fees for your post and forms. This deposit is non-refundable. This deposit must be post-marked to the address at the top by Friday May 31<sup>st</sup>, 2019 to confirm your spot with a post roster included of those attending – Use the roster worksheet provided on the website. More explorers and advisors may be added at any time by emailing us. The remainder of your payment is due by July 1<sup>st</sup>, 2019. Please make checks payable to "Rossford Explorer Post 790."

Please send your RSVP to – Attn: Patrick Yoder  
2019 Scenario Day  
133 Osborn Street  
Rossford, Ohio 43460
